We Have Collected **MORE THAN \$1 BILLION** for Thousands of Clients

VOLUME 32 | FEBRUARY 2020

**CASE RESULTS**

**Boy Struck Exiting School Bus Receives \$130,000**

On a fall day, our 10-year-old client was dropped off in front of his home by his school bus, just as he had been many other times. However on this day, his bus driver told him to cross the street behind the bus. Unfortunately, he was run over while in the crosswalk by a driver who ignored a stop sign. The boy was dragged by the vehicle and left with permanent scarring.

Lawsuits were filed against the insurers of the automobile and school bus companies. The vehicle insurer offered its policy limit, while the insurer for the school bus company initially denied the claim. Hupy and Abraham, S.C. was able to negotiate a settlement with the insurer of the bus company for its driver's actions and secured \$130,000 for the boy.

**Insurance Pays \$235,000 in Lawsuit**

While stopped in traffic waiting for the light to change, a family was struck from behind. The force of the impact pushed their vehicle into one in front of them. A passenger in the struck vehicle was injured and hired Hupy and Abraham, S.C..

The insurance company argued that the collision caused only a minor aggravation of a preexisting condition and refused to pay for medical treatment. Hupy and Abraham, S.C. filed a lawsuit and after depositions, forced the insurance company to pay \$235,000.

**FIRM NEWS**

**Goodbye 2019, Hello 2020!**

Hupy and Abraham, S.C. celebrated its 50th anniversary in 2019 and it resulted in several new milestones and fulfilling events! The firm continued its expansion and growth. New employees were hired, among those were Iowa attorneys, Eric Schade, Jordan Christensen and Jamie Ford. The company added another shareholder, Attorney Vito Manicoto, as a direct product of recent successes. We were also fortunate to move our Cedar Rapids office to a new location to accommodate this growth!

In 2019, we maintained our reputation of hiring the best and brightest, while providing top-notch service to our clients. Both the company and staff were acknowledged in a variety of ways, including the firm's rating of **"Best Personal Injury Law Firm"** by the community in multiple polls for another consecutive year.

Attorney Brandon Derry was named a Wisconsin Leader in the Law, and Managing Partner Attorney Jason Abraham was inducted into the Wisconsin Law Foundation Fellows Program and was placed on the Wisconsin Super Lawyers List.

Firm President Attorney Michael Hupy also had an eventful year. He received the Who's Who Marquis Lifetime Achievement Award and was recognized at the 2019 Wisconsin Law Journal's Diversity in Business Awards. Additionally, Attorney Hupy was named the inaugural president for the newly implemented Milwaukee Crime Stoppers Program.

In addition to all of this, the company and employees became more active and involved within the community through thousands of hours volunteering and nearly \$20,000 in charitable donations. We've served thousands of clients over the last five decades and have obtained more than \$1 billion in verdicts and settlements. We look forward to seeing what 2020 and this new decade have in store!

**What EXACTLY Does Personal Injury Mean?**

We've represented 70,000+ injured clients, many of whom were in car, motorcycle or pedestrian accidents. Here are a few other practice areas where we represent injured clients:

- **Dog Bites:** Dog bites can cause infection, nerve damage, amputation or even death as well as emotional trauma and financial hardship.
- **Negligent Security:** When a person is attacked in a parking lot, bar, apartment building, hotel, etc., the property owner may be legally responsible for any injuries incurred because he or she failed to have reasonable and adequate security measures in place.
- **Slip and Fall Accidents:** Falls are one of the leading causes of non-fatal injuries in the U.S. In fact, one in five falls can lead to serious and costly consequences.

Personal injuries stretch far beyond what you may typically think! We are ready to help you get the compensation you deserve after an accident. Should you need help, please visit our website at [www.hupy.com](http://www.hupy.com) or give us a call at 1-800-800-5678.

If You Can't Come To Our Office, We Will Come To You!

TELL THEM YOU MEAN BUSINESS™

The last thing anyone wants is to witness an accident, especially if it leads to injuries. However, in most of these situations, witness testimony can be what ends up making or breaking a case.

If you find yourself a bystander or witness to an accident, remember these quick tips:

- Remain on the scene immediately after witnessing a crash.
- Call 911 to ensure that police and first responders are on their way.
- Provide your contact information to those at the scene.
- Try to alert other motorists of the crash – flashers, cones, etc.

As a witness, the best thing you can do is accurately report what you saw without drawing any conclusions. And, it's important to cooperate with any attorney(s) who may reach out to you. The information you share could be valuable to an injured victim. Following these tips can help those who are hurt get the financial remediation they deserve.

How to be a 5-Star Witness After an Accident
